26. Overview of the entity's material responsible business conduct issues

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format.

S. No.	Material identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, Approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate Positive or negative implications)
1	Data privacy and Security	Risk	The identification of data privacy and security risks arises from the need to safeguard sensitive customer information, comply with legal obligations, protect the Company's reputation, maintain continuity of business operations, and secure valuable intellectual property..	EaseMyTrip addresses the risk through a multi-faceted approach. There is a comprehensive Risk Management policy and a dedicated Risk Management Committee to oversee data related matters. The company employs robust data protection measures, adheres to relevant regulations, and provides regular training to employees. EaseMyTrip has incident response protocols in place in the event of a breach. These actions demonstrate their commitment to protecting customer data, ensuring compliance, and maintaining a secure environment.	Negative: A potential breach or mishandling of sensitive data could result in financial losses and reputational damage. Negative implications include the potential loss of sensitive data impacting the company's brand image and trust among stakeholders. Additionally, unmanaged threats to corporate data can lead to financial and reputational damages.
2	Business Ethics and Governance	Risk	The risk of business ethics and integrity at EaseMyTrip arises from the need to protect reputation, build trust, ensure legal compliance, maintain employee morale, attract investors, and preserve customer loyalty. Upholding high ethical standards is crucial to avoid legal consequences, reputational damage, and negative stakeholder perception.	EaseMyTrip has implemented measures like the establishment of a Code of Conduct, conducting regular ethics training for employees, maintaining a Whistleblower Policy to encourage reporting of concerns, monitoring compliance through internal controls, ensuring transparent governance practices, and potentially collaborating with external organizations.	Both Negative and Positive: The negative financial implications of ethical risks involve legal consequences, reputational damage, and decreased employee productivity. However, the positive financial implications include enhanced stakeholder trust, investor confidence, and competitive advantage.

S. No.	Material identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, Approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate Positive or negative implications)
				These actions demonstrate the company's commitment to fostering an ethical culture, promoting accountability, and continuously improving its ethical framework.	By effectively managing and mitigating ethical risks, EaseMyTrip can minimize negative financial impacts and capitalize on the potential benefits associated with ethical business practices.
3	Human Capital Development	Opportunity	Well-being and job satisfaction of employees	-	Positive: Skilled employees can better adapt to emergent technologies.
4	Diversity and Inclusion	Opportunity	Supportive and positive work environment for the employees	-	Positive: Higher productivity leading to greater retention rate.
5	Community Care	Opportunity	Community care is identified as an opportunity for EaseMyTrip as it will help them develop good relations and rapport with their stakeholders, the wider community and promotes a positive brand image.	-	Positive: Brand value will increase. Negative: Increase in operational costs of the Company
6	Carbon emissions	Risk	Carbon emissions are identified as a risk for EaseMyTrip due to their environmental impact, the need to comply with stricter regulations, stakeholder expectations for environmental responsibility, and the importance of futureproofing the business.	EaseMyTrip has implemented initiatives such as focusing on energy efficiency measures, and raising awareness about environmental sustainability.	Negative: Compliance costs associated with stricter regulations and potential upfront expenses for adopting energy-efficient technologies. Positive: Cost savings through energy efficiency, a competitive advantage in attracting environmentally conscious customers, increased investor confidence, and long-term resilience.

S. No.	Material identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, Approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate Positive or negative implications)
7	Sustainable Operations and Infrastructure	Opportunity	Reduction in the impact on the environment leads to energy savings, related cost savings and improves the brand image of the company.	-	Positive: Reduction in annual water, waste, and emission intensities, hence leading to a reduction in annual costs of electricity and water consumption. Negative: Increase in Operational and capex costs for installing low carbon technologies
8	Travel Safety	Opportunity	Providing safety-related information is important and identified as opportunity for EaseMyTrip as it is a travel services-related industry and providing information on safety, protection and cleanliness is vital for it for the safety of its customers.	-	Positive: Increase in customer trust and less complaints on safety norms therefore leading to revenue growth.
9	Sustainable Travel	Opportunity	Sustainable travel is identified as opportunity for EaseMyTrip because it will lead them on a path of having a positive impact on the environment.	-	Positive: Attract more environment conscious customers. Reduces negative impact on the environment.
10	Quality Customer Experience	Opportunity	Customer satisfaction with the provided services.	-	Positive: Increase in customer base and improve performance and brand image.

Leadership Indicators

1. Awareness programmes conducted for value chain partners on any of the principles during the financial year:

Total number of awareness programmes held	Topics / principles covered under the training	%age of value chain partners covered (by value of business done with such partners) under the awareness programmes
None	NA	NA

Note: Being a travel and tour operating company, our principal products and services are airline tickets, hotels and holiday packages, rail and bus tickets, taxi rentals and ancillary services such as travel insurance, visa processing and tickets for activities and attractions. Correspondingly, our supplier base is predominated by leading airlines, hotels and travel package dealers. Given the large interface of our suppliers with the customers from all backgrounds, they are legally required to adhere to stringent norms related to environment, health and safety and therefore, do not require dedicated awareness programs on sustainability issues to be provided to them by us. However, we engage with our suppliers regularly to foster collaborative partnerships on all issues impacting the travel and tourism industry and promote sustainable travel for our customers.

2. Does the entity have processes in place to avoid/ manage conflict of interests involving members of the Board? (Yes/No) If yes, provide details of the same.

Yes. The Company receives an annual declaration (changes from time to time) from its Board members and KMP on the entities they are interested in and ensures requisite approvals as required under the statute as well as the Company's policies are in place before transacting with such entities / individuals.

PRINCIPLE 2: Businesses should provide goods and services in a manner that is sustainable and safe

Essential Indicators

1. Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.

	FY 2024-25	FY 2023-24	Details of improvements in Environmental and social impacts
R&D	Nil		The Company operates in the service industry and does not invest in research and development activities.
Capex	Nil		In our financial statements, CAPEX includes fit outs and equipment for our offices, computers, laptops, etc. We try to consciously choose environment-friendly technologies, including energy efficient air conditioning systems, LED lighting fixtures, sensor-based taps, energy-efficient laptops, among others.

2. a. Does the entity have procedures in place for sustainable sourcing? (Yes/No)

Considering the nature of its business and the industry in which it operates, the Company's operations have a negligible impact on the environment as well as minimal social implications arising from its products and processes.

b. If yes, what percentage of inputs were sourced sustainably?

Not Applicable

3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.

As the Company operates in the Travel and Tourism industry, its services do not result in the generation of significant waste requiring recycling. However, the Company ensures that any waste generated at its offices is managed and disposed of in compliance with applicable regulations and norms.

4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.

Not Applicable

Leadership Indicators

1. Has the entity conducted Life Cycle Perspective / Assessments (LCA) for any of its products (for manufacturing industry) or for its services (for service industry)? If yes, provide details in the following format?

NIC Code	Name of Product / Service	% of total Turnover contributed	Boundary for which the Life Cycle Perspective / Assessment was conducted	Whether conducted by independent external agency (Yes/No)	Results communicated in public domain (Yes/No) If yes, provide the web-link.
Nil					

Note: As a leader in the service industry, we recognize the distinct nature of our operations, and while a traditional Life Cycle Assessment (LCA) might not directly apply, we remain firmly committed to sustainability. By prioritizing sustainable partnerships, driving digital innovation, and encouraging responsible customer engagement, EaseMyTrip showcases its dedication to environmentally conscious practices. While a formal LCA may not be the immediate focus, EMT's proactive approach underscores its ongoing commitment to both its customers and environmental responsibility.

2. If there are any significant social or environmental concerns and/or risks arising from production or disposal of your products / services, as identified in the Life Cycle Perspective / Assessments (LCA) or through any other means, briefly describe the same along-with action taken to mitigate the same.

Name of Product / Service	Description of the risk / concern	Action Taken
Not Applicable		

3. Percentage of recycled or reused input material to total material (by value) used in production (for manufacturing industry) or providing services (for service industry).

Indicate input material	Recycled or re-used input material to total material	
	FY 2024-25	FY 2023-24
