## **EaseMyTrip Foundation Signs MoU with Delhi PWD for Flyover Adoption and Urban Enhancement, Strengthening Its Sustainability and Community Initiatives**

**New Delhi, April 08, 2026:** The EaseMyTrip Foundation has entered into a Memorandum of Understanding (MoU) with the Public Works Department (PWD), Government of Delhi, marking a significant step towards enhancing urban infrastructure and advancing sustainable city development.

As part of this strategic collaboration, the EaseMyTrip Foundation will undertake the adoption, upkeep, and aesthetic enhancement of two key flyovers in the national capital i.e. Mayur Vihar Phase 1 Flyover and Apsara Flyover.

The MoU signing ceremony was held in the presence of esteemed dignitaries, including **Smt. Rekha Gupta, Hon'ble Chief Minister of Delhi, and Shri Parvesh Verma, Hon'ble Cabinet Minister (PWD)** along with other senior officials. The initiative highlights the growing importance of public-private partnerships in driving meaningful civic transformation.

Under the agreement, the EaseMyTrip Foundation will lead the beautification and maintenance of the designated sites. The initiative will focus on enhancing greenery and landscaping in and around the flyover areas, ensuring consistent cleanliness in line with PWD standards, and elevating the overall visual appeal through sustainable and thoughtfully designed urban interventions.

**Commenting on the development, Mr. Rikant Pittie, CEO and Co-Founder, EaseMyTrip, said:** "We are honoured to partner with the Delhi Government on this meaningful initiative, which aligns strongly with our philosophy of driving impact through action. At EaseMyTrip, we believe in not just enabling seamless travel experiences, but also contributing responsibly to the communities we operate in. This collaboration reflects a shared commitment to building cleaner, greener, and more thoughtfully designed urban spaces, and we look forward to delivering this with the same efficiency and execution excellence that defines our way of working."

This partnership reinforces EaseMyTrip Foundation's ongoing commitment to environmental sustainability and community development. Notably, the Foundation has been associated with the Government of India's **Adopt a Heritage 2.0 programme**, supporting efforts to enhance infrastructure, wayfinding, and overall visitor experience at key heritage sites. This includes initiatives across prominent destinations such as Agra Fort, Qutub Minar, Western Group of Temples, Khajuraho, and Sun Temple, where efforts are focused on improving on-ground amenities, signage, and visitor engagement, while encouraging responsible tourism practices.

Through these initiatives, along with ongoing environmental and community programmes such as plantation drives and awareness campaigns, the EaseMyTrip Foundation continues to expand its CSR footprint, aligning with EaseMyTrip’s broader commitment to responsible growth and meaningful societal contribution.

**About EaseMyTrip:**

*EaseMyTrip (listed on NSE and BSE) is one of India’s largest online travel-tech platforms in terms of air ticket bookings, as per the CRISIL Report – Assessment of the OTA Industry in India (February 2021). Bootstrapped and profitable since its inception, the company is one of the leading online travel-tech platforms in the country, delivering consistent profitability and industry-leading EBITDA margins. With a zero-convenience fee model, EaseMyTrip offers end-to-end travel solutions, including access to over 400 international and domestic airlines, 2.9 million+ hotels, and a wide range of curated travel options such as holiday packages, trains, buses, cabs, and ancillary services.*

*Founded in 2008, EaseMyTrip is headquartered in New Delhi with offices across Noida, Gurugram, Bengaluru, and Mumbai, and has an expanding international presence through subsidiaries in the Philippines, Singapore, Thailand, the UAE, the UK, the USA, New Zealand, Saudi Arabia, and Brazil. Now entering its EaseMyTrip 2.0 phase, the company is evolving beyond traditional travel services to build a diversified travel ecosystem further strengthening its mission to make travel seamless, transparent, and affordable for every Indian.*
