## **EaseMyTrip Named Among the Top 10 of “Forbes India presents DGEMS 2025 – The Select 200,” Strengthening Its Global Growth Outlook**

**New Delhi, November 21, 2025:** EaseMyTrip, one of India’s leading online travel-tech platforms, has been named in the Top 10 of “Forbes India presents DGEMS 2025 – The Select 200,” a prestigious list that recognises organisations with global business potential. This recognition reflects EaseMyTrip’s growing influence in the travel-tech space and its focused strategy to build a strong, future-ready business across both domestic and international markets.

DGEMS brings together companies and founders who view opportunities through a global lens. With this year’s ethos of “Founders Helping Founders,” the platform highlights collaborative leadership and cross-market learning. EaseMyTrip’s selection underscores its steady expansion beyond India while continuing to strengthen its position in one of the world’s fastest-growing travel markets.

Over the years, EaseMyTrip has expanded across regions such as Brazil, New Zealand, Philippines, Saudi Arabia, Thailand, Singapore, the UAE, the UK, and the USA. At the same time, the company continues to deepen its presence in India by enhancing product offerings, expanding partnerships, and investing in technology that improves the travel experience for millions of customers. This balanced approach enables the company to build scale responsibly while leveraging growth across diverse geographies.

**Commenting on the recognition, Rikant Pittie, CEO and Co-Founder of EaseMyTrip, said:**

“Being named in the Top 10 of The Select 200 reinforces EaseMyTrip’s evolution into a travel-tech company with a multi-market perspective. The platform offers opportunities to connect with global entrepreneurs, exchange insights, and accelerate growth across both established and emerging markets. Our focus remains on building a strong, sustainable business grounded in innovation, customer trust, and operational excellence. India continues to be central to our growth story, and we see our global expansion as a natural extension of the capabilities we have built here. This recognition encourages us to keep raising the bar as we grow across markets.”

The DGEMS recognition arrives at a time when EaseMyTrip is focused on long-term value creation through strategic expansion, new partnerships, and enhanced customer experiences, positioning the company to unlock growth across both domestic and international markets.
